

NIGERIAN NUCLEAR REGULATORY AUTHORITY
NATIONAL INSTITUTE OF RADIATION PROTECTION AND RESEARCH
UNIVERSITY OF IBADAN CAMPUS, IBADAN

NNRA/NIRPR/064/Vol 3

6TH MAY, 2019.

Dear Sir / Madam,

NATIONAL TRAINING COURSE FOR RADIATION SAFETY OFFICERS IN DIAGNOSTIC AND INTERVENTIONAL RADIOLOGY, 29TH JULY - 9TH AUGUST 2019, LECTURE ROOM 2, NATIONAL INSTITUTE OF RADIATION PROTECTION AND RESEARCH, UNIVERSITY OF IBADAN, IBADAN.

LETTER OF INVITATION

The **National Institute of Radiation Protection and Research (NIRPR) - a Technical Support Organization (TSO)** of the **Nigerian Nuclear Regulatory Authority (NNRA)**, in collaboration with the **International Atomic Energy (IAEA), Vienna, Austria**, is organizing a **National Training Course (NTC)** for **Radiation Safety Officers (RSO)** in Diagnostic and Interventional Radiology. The NTC is scheduled to hold at the Lecture Room 2, National Institute of Radiation Protection and Research, University of Ibadan Campus, from **29TH JULY - 9TH AUGUST, 2019**

2. The focus of the NTC is on the technical and administrative framework necessary for radiation safety in the application of Ionizing Radiation in Diagnostic and Interventional Radiology. The Course will consist of lectures, demonstration, discussion and practical sessions and other issues related to radiation safety.
3. Participants at the NTC are expected to be RSOs designated or to be designated by their employers or young science graduates or individuals with equivalent qualification who wish to pursue a career as RSO.
4. In the above regards, you are invited to nominate your participant(s) to the NTC. Please find attached the prospectus for the NTC and participation form for your perusal and necessary action.

Oyeyemi S.M (PhD)
Acting Head (NI)
